# UNIVERSAL ROBOTS

## **Ticket priority**

24/7 prioritized responsiveness to myUR tickets and closed loop fast resolution process.

## **Priority for on-site response time**

On-site support will be at your location within next or 2 business days, after you have issued a service case in myUR, dependent upon which contract you have chosen.

## **Connectivity**

### *Basic*

Automatic cloud backup of robot data and programs, with revision management to easily track changes and roll back if necessary.

### *Advanced*

Basic plus suite of tools that help you recover from stoppages as fast as possible and manage your productivity, including remote support, stop alerts, remote updates, cloud programming, MES integration, and productivity tracking.

## **On-site Preventive maintenance**

Preventative maintenance checks and fine-tuning on-site.

## **Value-Adding training**

Receive a 10% discount when booking a seat in our UR Academy at one of our 130+ training centers or for Virtual Simulator-based trainings.

## **Loaner cobot**

Optional loaner cobot during the time of repair of the installed cobot.

## **All Spare parts/consumables**

UR Care Plus gives 10% discount on spare parts and consumables.

UR Care Premium includes spare parts and consumables.

## **General**

Each service offering is cobot-specific and linked to the serial number, and the customer must identify the cobots covered upon registration of the purchase of the UR Care Service(s) in the myUR Customer Portal. Universal Robots warrants that the Services are provided in good professional quality and in accordance with the generally recognized rules of technology, the generally accepted professional standards valid at the time of performance of the Services, the provisions of this Agreement and the applicable statutory provisions.

## Accessories & Software
