

## MiR Price List

All prices are net prices and ex works, Odense - Denmark

All prices are valid from 1. February 2025 until 31. December 2025

Part no	Products	Distributor Price EUR	List Price EUR	Est. Standard Delivery Time
	<b>MiR Robots</b>			
	All robots are delivered with Quick Start Guide in English as standard.			
	Other languages are available on MiR Support Portal (supportportal.mobile-industrial-robots.com)			
	All robots have a one-year MiR Standard Service Level Agreement included in the robot-price			
	This is subject to the SLA T/C. The SLA can be deselected, but the price of the robot will remain unchanged.			
	Demo-units are 15% off Standard Distributor Price			
	University-unit is 10% off Standard Distributor Price and List Price (MiR250 only)			
	<b>Terminology</b>			
	Base Robot is the MiR AMR excluding any top modules			
	Applications are the combination of a MiR base robot and a MiR Top Module			
	Top Modules are the parts needed to offer an application.			
	Top Modules can be bought as individual products or with the purpose of upgrading an already acquired base robot into an application
